Lucapa Diamond Company Limited (ASX: **LOM**) (“Lucapa” or “the Company”) and its partners Empresa Nacional de Diamantes E.P. (“Endiama”) and Rosas & Petalas are pleased to announce the successful completion of the second sale for 2017 of alluvial diamonds from the Lulo Diamond Project in Angola.

The parcel of 1,552 carats of Lulo diamonds achieved gross sale proceeds of US\$6.9 million (A\$9.1 million). This represents an exceptional average price per carat of US\$4,446 (A\$5,836) for the sale, underlining the quality of the diamond recoveries and the continued strength in the market for large and high-quality production.

This brings the total gross proceeds achieved at Lulo to date in calendar 2017 to US\$10.7 million (A\$14.0 million). Lucapa and its partners are happy to note another milestone whereby all sales of Lulo diamonds now exceeds A\$100 million.

The latest sale parcel included the 227 carat Type Ila D colour diamond recovered in February 2017 from new Mining Block 28 at Lulo (See ASX announcement 13 February 2017). For commercial reasons in the industry, the sale prices of large diamonds, unless iconic, are not individually disclosed.
